WORD

SERVE MY PURPOSE #2

1. READ: Luke 12:16-21

There was a time when he **Urgently** ploughed the ground, sowed his seed, watered the harvest and harvested abundantly! After he had success **complacency** set in. **Complacency** means to be self-satisfied and content with current circumstances.

- Greatest threat to your future success is current success!!
- Comfort is the enemy of progress
- Growth and Comfort never exist together
- If it doesn't challenge you it won't change you

We must live with a sense of SUSTAINED URGENCY

SUSTAINED URGENCY= *Outside Opposition / Opportunity + Divine Calling + Limited Time*

(Your success is not guaranteed + this is what I'm called to do + limited time)

2. READ: Psalm 90:12, Hebrews 11:1

A sense of urgency comes from a powerful connection to the present

FAITH IS NOW!!

The greater the gap is between your daily commitments and your deepest values, between what you do and who you are, the less your life will work and the less happiness you will experience.

3. READ: Genesis 8:22, Proverbs 11:24-25, Galatians 6:7-9

- If you are not in a reaping season you are in a sowing season!
- There is Time between Sowing & Reaping- You reap in a different season than you sow! Seasons / Process
- The Law of the Harvest says, "We sow in one season; we reap in another."
- Be intentional about sowing the right seeds for your future!
