WORD

Read 2 Kings 5: 1-14

Why have you torn your clothes?

It's not time to tear your clothes, it's not time to quit, it's not time to be unbelieving, it's not time to sit down on the side, it's not time to doubt what God has said to you, it's not time to limit God.

Jesus is still able!

We know the One who has the answers.

God is still bigger than your situation and with God all things are possible.

Read Psalm 78:40-41

When it was time for the Israelites to step into the future God had for them, they limited Him through unbelief.

Read Exodus 6:9

Because of cruel bondage and anguish of spirit, the Israelites had bondage on their mind, a limited way of thinking, a way of thinking that limited God.

God says: Now is not the time to limit Me. I am ready to do great things in your life. This is still the year of glory. You will still see a wave of glory in your business, in the church, here in the Garden Route.

Question: Why did Naaman became furious?

Answers: He already made up his mind about how and when God should work. God didn't work according to his time table or expectations. He wanted a spectacular thing. God is telling him to do something that does not make sense to him. He wanted a miracle.

We don't live by miracles. Living by miracles is the desert, it is not the promised land. When the Israelites went into the Promised Land, the miracles stopped, because God said, in the Promised Land, the just shall live by faith.

Read: 2 Timothy 2:12-13

When God came to Joshua, He encourages him according to His faithfulness, not by Joshua's faith. Even when we are without faith, God is still faithful according to His word.

Although God is a God of the supernatural, the supernatural is not usually the spectacular.

We should not be looking for signs and wonders or a pouring out of the spirit like a mighty rushing wind or fire. It will come through the word of God.

OWN NOTES:

God is in the still small voice. (Like the young captive girl from Israel, telling her mistress of the prophet who would be able to heal Naaman of his leprosy.)

God will always send His word, try and get your attention with His voice through His word by His spirit.

God does not need our permission to move.

Don't put God in a box. Thinking that He would work in a certain way or time.

God doesn't have to prove Himself to us or fit into our timetable.

Trust in the Lord and don't rely on your own understanding.

Those who will possess the Promised Land, those who will go to the next level of glory, walk by faith and walk by the stirring of the Holy Spirit and respond to the move and unction of God.

Naaman has to lose control and do what doesn't make sense. (In our comfort Zone, we cannot move with God. Those who are wise will always look for the God moment.)

He would have missed His healing if not for the servants (Still small voice from God)

Elijah sent a still voice, not fire, wind or earthquake.

Whatever He says to you, just do it!

Read Psalm 107:20

Question: What delivers us from our circumstances? What is it that sets the captives free? What is it that heals the sick? What is it that opens the eyes of the blind?

Answer: It's when the word of God comes.

Just respond to what God's word says: Let go of your way.

God will do something new.

God has a word for you, your situation, your future.

Follow God!

Read Deuteronomy 30:19

You don't need a profit to come. We have the word. The word is our deliverance and future.

Naaman trusted in God's word when he had to wash in the water.

When God has told you to do something, and you have not fulfilled it yet, He will not give you a new word.

7 times Naaman had to dip into the water.

Seven is a number of completion, a number of perfection, a number of God.

Naaman wouldn't be healed after only 5 of 6 times. He had the sense to do what God said and got healed.

If you have a big dream you need big faith.

Build your faith to the level of the word God gave you by spending time in God's word.

Read Hebrews 11:1

Faith is NOW. Faith is the substance, the raw material of the future that God has promised us.

Spend quality time in the word to build your faith.

Read Romans 10:17

When the word comes, faith comes.

The word is the substance of our faith and our faith is the substance of our future with God.

You have to take responsibility for your faith.
