

# STEP INTO GOD'S GREATER GLORY

**DATE:** 05 May 2019

**SERMON TITLE:** You Promised

**WELCOME:** Welcome all New Visitors. Do an Icebreaker.

**WORSHIP:** SING: 1 Praise Song & 2 Worship Songs. During Prayer Time focus on God's GREATNESS AND POWER!

## WORD

God promised in 2019 there will be a wave of glory that is going to drive out the forces of darkness, bring the presence of God, the miracles of God, the favour of God, the power of God and the release of God.

### Read 2 Corinthians 1:20

**You have a YES from God** – your purpose. So we run with energy and expectation.

Where there is faith, there is always energy, focus & passion. God is moved by faith.

He does not move in places where people are not hungry, passionate or energetic.

When God's **PROMISES** come to pass, it will be for **HIS GLORY** in our lives.

Our expectation is God's invitation to do great and glorious things in our lives.

God says it, I believe it, that settles it!

The blessing of God doesn't look at what you **DESERVE** but what you **BELIEVE**.

**The Bible says** put God in remembrance of His promises (Remind God of His promises)

It doesn't say, put God in remembrance of your problems.

It is not for His sake, He hasn't forgotten, it is for our sake (Our mind-set & attitude that needs to change)

Sometimes we know more about our problem than we know about His promises and His Word.

**Question:** What does God's word say about your finances or your sickness?

Whatever your mountain is, what does God's word say about it?

How much time do we spend with our problems instead of spending time building our faith in His promises?

Many people have a word but have never built their faith to the level of the Word they received, which causes the opportunity to pass them by.

It is time to tell your problem how big your God is, instead of telling God how big your problem is.

Find a promise and remind God what He said about you!

### THE POWER OF WORDS

God is not obligated to bless the words that come out of our mouth, but He is obligated to bless the words that come out of His mouth. God's faith is in His own words and He is faithful to keep it for whosoever believes. God watches over His word to perform it.

**OWN NOTES:**

**Read Psalm 138:2**

God submitted Himself to His own word.

**Read Proverbs 6:2 & Proverbs 18:21**

Get death out of your mouth. Don't curse your destiny and the greater that God is about to do.

**Don't talk yourself out of what God Promised!****Read 2 Kings 7:1-2**

Only believe and receive, Don't try and figure it out. Faith doesn't make sense.

**God Said: - Read Genesis 28:15**

This is a promise

**They Said: - Read Numbers 13:31-33**

It wasn't the giants that defeated them, it was their own attitude. They neutralized themselves: they did acknowledge that it was a good land, flowing with milk and honey, **BUT... Their big mistake was: they looked at the giants, they looked at themselves, they did not look at God.**

**Read Zechariah 9:12**

Thank God every day for every good thing that He has already promised over your life.

God is moved by faith in His goodness.

Meditating on the Good Report brings us into the Promised Land, the land where all His promises are yes and amen in Christ.

Double favour because you had double trouble.

Goodness and Mercy follows.

Favour surrounds you like a shield.

I will see your goodness in the land of the living.

The Promised Land is the land where we live according to God's promises, it is not a place, it is a place in your mind-set and in your attitude and in your belief and your heart. The Promised Land is where God is.
