WORD

Not the enemy but the inner me!

Read Proverbs 4:23

Question: Why, according to this verse is it important to guard your heart?

Answer: The condition of your heart determines the quality and horizons of your life.

Cultivate your inner treasure with the word, prayer and relationships.
Your inner picture either stretches you forward or causes you to shrink back.
If you feel good about yourself on the inside, you will look good on the outside.

The inner me neutralizes you and defeats your destiny.

Read Proverbs 23:7

- **Your Self-Image is your governor in life which will limit you.**
- **Your Belief** about yourself, and your Purpose in Life will determine what you Do!!
- Being a Christian is not just about getting something, it's about being someone!
- You are your thoughts.
- You can't see what people think but you can see what they do!!
- People don't see the world the way it is, they see the world the way that they themselves are!
- People see you the way you see yourself.
- The Way you see yourself – who you believe you are NOT will determine your Destiny.
- Who are YOU in Christ?
- Nobody will love you if you don't love yourself.
- Love your neighbour as yourself.
- Loving yourself is placing value in who God made you and the price Jesus paid for you.
- Taking care of yourself is not selfish, it's strategic for long-term impact!
- Plans don't develop people – people develop people. Invest in yourself so you can build into others!
- Your Life is NOT determined by the opinions of others!! Don't live down to other people's expectations! You are Bigger and better than that!
- Get rid of low-esteem. It doesn't help to put yourself down in a world that already wants to put you down!

Example: Read Numbers 13:17–20 & 28–33

A miracle won't change you if your treasure is unbelief.
Your Word determines your future because it is the declaration of the treasure in your heart.
A spiritual person does not allow his feelings and emotions to dominate him.
We were like grasshoppers in our own sight and therefore we were in their sight!
God says; see the milk and honey, all they see are the giants.
Your spirit is born-again immediately, but your **attitude** is a work in progress. You cannot become more born-again. You don't get a good attitude; you cultivate a good attitude by being forceful with yourself.
Joshua and Caleb had a **DIFFERENT spirit**.

OWN NOTES:

God's Word is His thoughts towards us

Not even God can change your mind!!!

You have to choose the TRUTH!!

The way I see myself in God will become my reality. The biggest bondage & oppression is not the devil but mental oppression... being ignorant separates us from the life of God and the destiny that God has for us. According to God's Word, ignorance leads to a life of defeat, inferiority, captivity as far as God's truth and destiny is concerned. This bondage is a way of thinking that keeps your life small, weak, intimidated, controlled & defeated. Years of conditioning by people, your environment, and circumstances have made you the way you are today.

GREAT THINKING = the convictions of your heart are lived out in everyday life – I don't need more power... I need more understanding of who I am in Christ! My understanding = my harvest in life@ Understanding liberates us to live the God-kind of life!

HIS WORD is Life:

I have to choose the Christ life every day!

Meditating on the Good Report brings us into the Promised Land.

Faith is not complicated! The thing that complicates faith is unbelief!!

The struggle is... Believing its true!!
