“Two things we all have in common: We have a past and we have a future” - Ps At Boshoff

Read: Jeremiah 29:11 & Daniel 11:32b

Question: Which one of the two things we have in common do these scriptures focus on (from above quote) and why?

Answer: Your future... The moment God saved you and you repented of sin – your past is forgiven and God now focuses and wants you to focus on the great future He has for you.

“I want to learn from my past but I want to plan my future...” - Ps At Boshoff

Read: Philippians 3: 12-13

Question: What is the secret ingredient to master the future God has for you? (*Hint: The title of Ps At's message*)

Answer: You have to stretch... your faith, your ability and your activity. You have to leave the past in the past and pursue the future... You have to stretch!

Question: What are the two ingredients for a move of God?

Answer: God and Man. God does everything on the earth through a willing vessel... someone available and willing to stretch.

Question: Can you remember the instruction gave to Ps At when he was praying on Naval Hill in the early years of his ministry?

Answer: “Run for me or I will find another”.

Question: What was God essentially saying to Ps At?

Answer: God was about to stretch Ps At and birth an international revival.

Question: What was the result of this instruction and Ps At's obedience?

Answer: The instruction was to run... and just look at the result in the last 30 years... Millions of people around the world saved – influential churches around the world actively expanding the kingdom of God. Most of us getting saved and coming to know Jesus... because Ps At was willing to be obedient and stretch.

“Until we don't accept responsibility for our role, nothing will change!” - Ps At Boshoff

Question: What was the effect of Jesus stretching?

Answer: The redemption of all mankind! He literally stretched Himself on a cross for the forgiveness of all sins... The effect of Jesus stretching was thousands of years ago and it affected everything.

Read: Ecclesiastes 5:3a (NKJV) & 2 Timothy 2:6

Question: Is stretching easy?

Answer: Not at all – it is uncomfortable and even painful... Just like in the natural, you have to prepare your body for workout and keep your muscles flexible to prevent injury... in the exact same way you need to stretch your faith, expectation and your abilities to prepare for the great future God has.

Question: Does this great future happen automatically?

Answer: By no means... We have a definite role to play... God has promised, but in the same way that He promised the Israelites the Promised Land – they had to take responsibility and possess it.

“No matter how long you've been where you are – things can change!” - Ps At Boshoff
