on earth

**SERMON TITLE:** GOD IS A BUILDER

**DATE:** 17 May 2020

## WORD

Read Psalm 127:1

### GOD BUILDS FOR PERMANENCE

Your future is secure!  
Everything God builds lasts!

### Get a fresh understanding of your vision from God

Read Matthew 9:17

- Ask for understanding of these times
- Cooperate with God in the journey and **DO WHATEVER HE TELLS YOU TO DO!**
- Stretch your faith and expectation and make room for God

### If you continue moving forward with God, you cannot stay on the same level!

Read Psalm 115:14 & Psalm 112:1-3

- Don't limit God
- Get into agreement with God
- Be fully persuaded and committed

Read Psalm 35:27

God Himself promises abundance and not lack!

POSITION YOURSELF TO POSSESS THE PROMISED LAND AND TO PROSPER IN YOUR PURPOSE!

GOD'S PURPOSE IS STILL TO SEEK AND SAVE THE LOST AND TO BUILD HIS CHURCH

### 1. GOD'S PEOPLE

God builds people before He builds things.  
God builds through **relationships**.

Read Matthew 19:6 & Ecclesiastes 9:4

God connects us to the land of the living by bringing us into the Church which brings a great hope and a great future!

### 2. GOD'S PLACE

We find those relationships that build us spiritually, emotionally and mentally in the **Church!**

Read Psalm 68:5-6

We do not just build the church, the church builds us.

Read Hebrews 10:24-25 (TPT)

**Revival** takes place when every person takes his **position**.

Nehemiah gave the people two things to restore their hope:

1. **Vision** for a new Jerusalem

2. Nehemiah involved everybody in the rebuilding of the wall!

He gave everyone a **purpose** – The work progressed quickly because they were in unity, and they had a heart and a mind to work!

Do you know your position on the wall and are you building?

### 3. GOD'S PLAN

**Jesus is still building His church!**

We occupy, increase and build until He comes.

Keep up the good fight.
