WORD

When we follow and trust God – You can expect to grow stronger, to increase, not decrease, to continue to bring forth fruit, to be fertile and productive and prosperous, and full of joy.

Sometimes we forget who we are and whose we are.

Read Psalm 72: 5-7 (NKJV)

Psalm 72: 12-14 (NKJV)

Psalm 92: 12-14 (NKJV & AMPC)

Question: What does the word “to flourish” mean?

Answer:

- to bloom or blossom
- to spread or grow
- to fly (as extending the wings)
- to break forth, to break out, to spring up.

Question: In the last scripture we are compared to Palms & Cedars. Discuss what this means about us?

Answer:

Palms:

- Palms can be found in every type of habitat, from rainforests to deserts, which means they can grow almost anywhere. In barren soil palm trees are watered deep at the roots.
- Majestic, stable, durable, and incorruptible.
- They are symbols for victory, fertility, peace and plenty.

Cedar:

- They are solid, strong, and immovable. They express the ideas of Majesty, durability, incorruptibility, and stability. The older they get, the better they get.
- Honorable, they are solid, stable and immovable.
- They endure through the years.
- A symbol of fruitfulness, of stability that cannot be shaken.

Read Psalm 1:1-3 (ESV)
